

Simplify your business and cut costs in half

SoftCo on-demand is a fully hosted service that automates everyday cumbersome business processes such as Expenses, Procurement and Human Resources. Removing costs and simplifying processes.

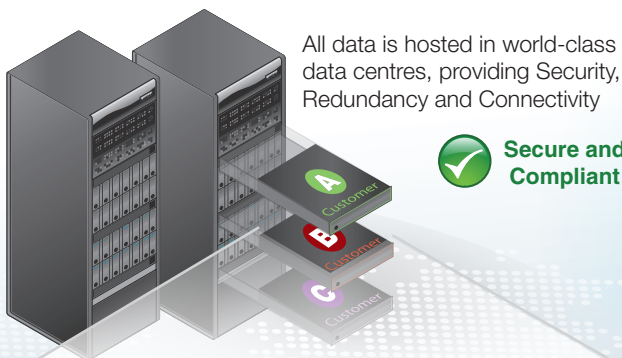

Easy to use and simple to set up, SoftCo on-demand removes the necessity for IT personnel, hardware, maintenance costs or upgrades. With SoftCo on-demand there is no capital spend and no IT costs. Just a simple fixed monthly fee and no hassle.

SoftCo on-demand is built on SoftCo's proven R8 platform, which is installed in some of the world's largest organisations delivering proven, scalable, compliant access to billions of paper and electronic documents for thousands of users.

SoftCo on-demand incorporates a number of ready to go Software-as-a-Service (SaaS) applications, as well as the option to build your own tailored solution to meet your specific needs.

How it Works

SoftCo on-demand Data Centres

Business Solutions

- | | | | |
|-------------------------|------------------|-------------------|-----------------|
| Accounts Payable | Online Safe | Proof of Delivery | Expense Manager |
| Electronic Requisitions | Document Manager | Human Resources | Build Your Own |

All documents are captured on-site by the customer or by our Outsource Partners

Customer A
HR manager reviewing C.V.

Customer B
Finance manager approving purchases

Customer C
Employee completing expense reports

Users have secure web access to documents and the SoftCo on-demand business solutions

“ The annual cost to own and manage software applications can be up to four times the cost of the initial purchase. As a result, companies end up spending more than 75% of their total IT budget just on maintaining and running existing systems and software infrastructure. ”

Business Solutions

ACCOUNTS PAYABLE

Accounts Payable cuts down paperwork, automates approval processes, and reduces supplier queries.

Key Benefits:

- Cut processing costs
- Reduce supplier queries
- Increase management control & visibility

ELECTRONIC REQUISITIONS

Electronic Requisitions simplifies purchasing processes and delivers control and visibility over purchasing.

Key Benefits:

- Ensure competitive supplier pricing
- Simplify procurement procedures
- Reduce company spend

EXPENSE MANAGER

Expense Manager gives control over all employee expenses, without the missing receipts.

Key Benefits:

- Reduce administration & processing costs
- Enforce company policies & procedures
- Deliver control and transparency

DOCUMENT MANAGER

Document Manager streamlines and controls document processes and lifecycles.

Key Benefits:

- Remove storage costs
- Provide instant access to all documents
- Improve employee productivity

PROOF OF DELIVERY

Proof of Delivery provides all documents immediately, speeding up customer payments.

Key Benefits:

- Reduce debtor days & increase cash flow
- Cut document storage & admin costs
- Improve customer service

HUMAN RESOURCES

Human Resources streamlines HR management and centralises all employee information.

Key Benefits:

- Streamline company policies & procedures
- Centralise all employee information securely
- Meet compliance obligations

ONLINE SAFE

Online Safe provides business critical information with a secure compliant archive.

Key Benefits:

- Secure and compliant archive
- Highly accessible for authorised personnel
- Disaster recovery for all business documents

BUILD YOUR OWN

Build Your Own tailors the Platform to meet your specific needs at an affordable price.

Key Benefits:

- Simplify complex workflow processes
- Customise solutions at a low cost
- Improve productivity
